LAPP TANNEHILL

LAPP Tannehill supplies and distributes wire, cable, tubing, connectors, and other related products and materials. Our excellent customer service and value-added services are what sets us apart.

LAPP Tannehill has distribution centers and local sales representatives across the United States offering fast delivery, technical consultation, and a strong digital presence.

100M+ PRODUCTS FROM 200+ LEADING MANUFACTURERS

Complementary products from leading wire, cable, tubing, sleeving, and wire management manufacturers

WHAT CAN LAPP TANNEHILL DO FOR YOU?

Our highly-trained wire and cable specialists are ready to serve you. With thousands of products and excellent customer service, LAPP Tannehill is your one stop source for all your wire and cable needs.

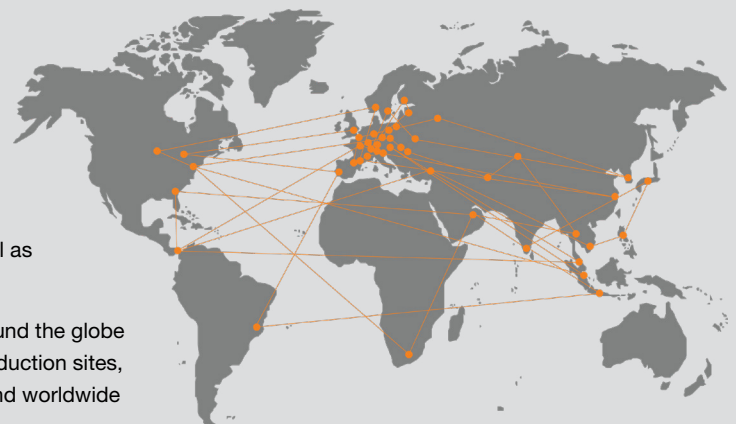

CUSTOMER BENEFITS	 Reduced Complexity	 Responsive Service	 Knowledgeable Customer Support	 Fast Delivery	 High Quality
	<ul style="list-style-type: none"> We manage complexity so you can focus on growing your business Managing the manufacturer relationship Handling the product complexity and variability Managing inventory Value-added services Automated replenishment 	<ul style="list-style-type: none"> Co-located sales, inside sales, purchasing and warehouse to provide fast answers Key manufacturer relationships established over decades Website Chat Online ordering with access to order status, tracking, and more 	<ul style="list-style-type: none"> Design and selection consultancy in the design phase, ensuring the right product, the right performance and specs, from the right manufacturer at the right price and delivery Access to the industry's best manufacturers Broad custom capabilities 65+ years of experience 	<ul style="list-style-type: none"> Greater than 95% on-time delivery Distribution Centers in Minnesota, Indiana, Texas, and Nevada Shipping to 50 states and 20+ countries Same day shipping on stock orders 	<ul style="list-style-type: none"> ISO9001: 2015 ISO14001: 2015 Lot controlled inventory with full traceability Manufacturer certs/ reports managed at incoming inspection and available for shipment

LAPP WORLDWIDE

LAPP Tannehill is an operating affiliate of LAPP, a global leader and manufacturer of cable and connection solutions.

LAPP's product line includes standard and highly flexible cables, industrial connectors and cable entry systems, customized system solutions, automation technology and robotics solutions for the intelligent factory of the future, as well as technical accessories.

Over the last 65 years, LAPP has grown to over 5000 employees operating around the globe developing, manufacturing and selling more than 40,000 products. With 21 production sites, 41 company-owned sales operations, more than 100 foreign representations and worldwide headquarters in Stuttgart, Germany.

ONE STOP FOR ALL YOUR WIRE & CABLE NEEDS

LAPP Tannehill offers a variety of additional value-added services, including wire twisting, stripping, and dyeing. With these value-added services, vast product offering, and knowledgeable customer service, it's easy to see that LAPP Tannehill is truly your one source for your complete wire and cable needs.

Striping & Dyeing

Stripe or dye wire and cable for easy in-field identification. Spiral and parallel stripe options available.

Wire Twisting

We can twist your wire and cable to your specific needs, saving you time and money.

Re-Spooling

Product re-spooled and packaged to your specific requirements. Wood and plastic spools available.

Wire Cutting, Stripping, & Marking

Custom cut lengths made to your requirements. Mark wires and cable for easy identification.

Tubing Cutting & Marking

Cut tubing to your specific lengths and hot stamp it for easy identification.

Custom Labeling & Bar-coding

Custom label wire, cable, boxes, or spools to your specific requirements.

Kitting

Save time and efficiency by having us kit your assemblies before they ship to you.

Custom Cable

We'll assist you from beginning to end in order to meet your specifications, requirements, and modifications.

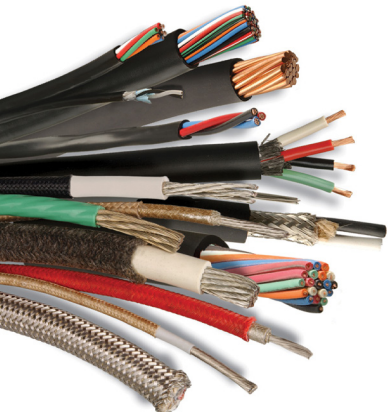

Custom Reporting

Purchasing history data analysis monthly/annual usage reporting.

Inventory Management

Turn paperwork and repeat purchases into increased productivity with our automated inventory replenishment system.

QUALITY STATEMENT

LAPP Tannehill is a company dedicated to achieving the highest possible quality in all that it does. Our goal is to satisfy customer requirements through continuous improvement, communication, and innovative ideas.

ÖLFLEX®
Power and control cables

Flexible, oil resistant connection & control cable

ETHERLINE®
Data communication systems for ETHERNET technology

Industrial grade cable for static and continuous flex & torsion Ethernet applications

UNITRONIC®
Data communication systems

Reliable, versatile cable for fast data transfer in the office & industrial sectors

HITRONIC®
Optical transmission systems

Unbeatable fast fiber optic cable transfers large amounts of data for the office & industrial sectors

CCTV/security connectors & adaptors, low voltage, fire alarm cable, coaxial, fire alarm, security, alarm, communication & control, water resistant cable

EcoGen™, EcoWire™, ThermoThin, Xtra Guard, flexible control cable, communication, control & industrial cable, wire management

A leading manufacturer of high performance and industrial-grade products including welding cable, battery cable, cordage, and automotive cable

High-temp coaxial, fiber, thermocouple, military/aerospace wire & cable

Flexible power & control cable, electrical & electronic wire & cable

Industrial, commercial vehicle, & military wire & cable

Networking cable, category cable, home automation, coaxial cable, aluminum service drop, control cables

Low voltage cable for fire alarm, voice & data, security/access control solutions

PVC, automotive, cross-link wire & cable, welding cable

Specialty & custom cables for every application

Battery cable, booster cable, welding cable, automotive wire, trailer cable, ABS cable

HeatTracer products for a wide variety of solutions

BICC®, CAROL Brand, GENSPEED®, NEXTGEN®, datacom, electronics, fiber optic, & telecommunications cable

Military/aerospace & commercial high-temp wire & cable, coaxial, industrial, aerospace data cables

Flat ribbon cables, high-speed round cable, robotic & automation cables, category cable, fiber optics

Low voltage cables for security, fire, audio, video, structured cabling, voice & data, & other low voltage applications

Irradiated cross-link PVC hook-up wire, military/aerospace, data communications & industrial

Low voltage, fire alarm, PLTC, control & power cable, IMSA, broadcast, armored cable, AV, automation cable

Power & control cable, industrial Ethernet cable, datacomm cable, fiber optic cable

High quality tight-buffer fiber optic cables & data communication, connectivity solutions

Automotive primary wire, welding cable, multi-conductor, battery, UL-approved, CAN bus

Cables for power grids; oil & gas, telecoms, construction & infrastructures, transportation & mobility

Industrial Ethernet cables, Cat 5e/6/6a cables, multi-conductor, multi-pair, T-1 & 735A coax cables

High-temperature, high-performance wire & cable

Braidless silicone rubber wire, high voltage braidless lead wire, coaxial cable, high voltage silicone FEP wire, VERSIWRAP tapes

Portable cordage, hook-up wire, multi-conductor, power, industrial, data, instrumentation, flexible, & mining cable

Madison Cable: multi-pair, multi-conductor, coax/multi-coax, Planar (Flat), quad/multi-quad, parallel pair/shielded pair, composites, twinax

Low voltage power, control & instrumentation, rubber insulated, medium & high voltage power cables, bare wires & conductors

Automotive primary wire, battery cable, trailer & brake cable marine and RV wire & cable

Mil-Spec, UL & CSA hook-up wire, AWM, PVC/nylon wire, automotive, battery cable, building wire, flexible cord, MTW, parallel bonded, TFN

Cat 5e/6, security, audio, coaxial, landscape, irrigation, thermostat & fiber optic cables

Security & fire alarm, fiber optic, networking, residential, entertainment, media cables

EPIC®
Industrial connectors

Rugged, reliable and flexible industrial connectors as system components

SKINTOP®
Cable glands

Strain relief cable glands for simple, fast & securely sealed installations

SILVYN®
Protective cable conduit systems and cable carrier systems

Protective conduit and accessories for all-round protection & routing of cables

FLEXIMARK®
Marking systems

Wide variety of marking systems for simple, lasting, & clear cable labeling & identification

Heat shrink products, cold shrink, tape, terminals, adhesives, cleaners, safety products, wire marking & identifying, connectors, cable ties, fire protection, static control products

Cable protection systems, i.e. conduit, connectors, cable glands, cable accessories, custom electrical assemblies

FIT® heat-shrink tubing, sleeving, braid, lacing tape, EMI tape, heat guns, wrappable sleeving tool

Sufflex®: Vinyl & acrylic sleeving, PVC, silicone, heat-treated, & heat-shrink tubing
Ben-Har™: Acrylic, silicon, heat-treated, silicone tubing
ALTA: braided monofilament & fiberglass sleeving

Terminal blocks & connection systems, cord grips, marking systems, ferrules, enclosures, cable entry systems

Braids: bare & tinned copper, tubular & flat, coated copper, stainless steel

Abrasion & mechanical protection, electrical insulation, sound dampening, thermal & reflective protection, electromagnetic shielding. Vinyl, acrylic, & silicone rubber coated sleeving, heat-cleaned glass & saturated grades. Silicone rubber tubing & expandable monofilament sleeving

Heat shrink tubing - single & dual wall, medium & heavy wall, DERAY® SpliceMelt, CAPS, CFTV QuickSeal™, specialty non-polyolefin products

Systems Protection Products - Expando®, Hookit®, ProGuard®, Roundit®, Fyrejacket®, ThermoJacket®, Therm-L-Lite®, & Convoshield AL®

Provides solutions for networking, identifying, & managing wire, cable & components

Heat shrink tubing: polyolefin, PVC, cross-linked PVC, food grade; non-shrink tubing: flexible PVC

Industrial connectors, strain relief cable glands/cord grips, conduit systems, cable carrier systems, marking systems

An industry-leading manufacturer of high-quality cable ties

Cable ties, cable management accessories, terminals, identification & labeling, wiring duct, heat shrink & abrasion protection, grounding system

Military-style & commercial circular connectors of Mil 26482, 38999, 5015

Heat guns, heat gun nozzles, heat gun accessories, glue guns, gas torches, sensors

SUMITUBE™ heat shrinkable tubing, SUMIMARK™ marking system

TE Medical portfolio of heat shrink tubing for your medical device design & processes

Braided sleeving for biomedical, aerospace, wire, hose, cable bundling protection solutions, & high performance automotive enthusiasts

Leading manufacturer of heat shrink tubing and identification products including ArmorFlex® (WFHS-221)

Custom extrusion processes specialize in precision tolerances for custom tubing and custom profiles of TEXfluor® PFA, FEP, PTFE, ETFE, ECTFE, & PVDF™. Smooth bore tubing, convoluted tubing & heat shrink tubing

Connectors & grounding, power & high voltage, wire termination

Electrical insulating sleeving (braided fiberglass), coated & uncoated; expandable sleeving (polyester & Halar®); & tubing (extruded PVC & rubber)

PTFE high-temperature heat shrink tubing, PTFE FEP, PFA, PEEK, medical tubing
